

Families gather in support of Jacey Johnson's philanthropic event.

Miss Teen Illinois International Hosts Fundraiser

ON JUNE 10, 2018 at Shakou Barrington, Jacey Johnson, Miss Teen Illinois International 2018 and Barrington resident, hosted a fundraiser in support of people with special needs. Johnson asked her family and friends to join her for a spring evening at Shakou. Fundraising for the local "Night To Shine" event produced by the Tim Tebow Foundation, Johnson is helping to provide a prom-like experience for people with special needs, ages 14 and older, in over 900 churches nationwide. "My passion and platform is all about inclusivity," Johnson said. "I advocate to provide opportunities for people with special needs. By attending this event, programs like Night To Shine may continue to help make prom memories for everyone. A portion of the ticket prices were donated to the foundation, so that this wonderful event can continue to bring smiles and joy to many deserving participants."
